Registration Information

Registration handles giving out badges to pre-registered attendees, and selling badges to attendees that have not yet registered. You may register in Con Ops for a short time after the registration desk has closed. All individuals participating in convention events or watching convention functions are required to have a convention badge, which must be worn at all times.

Registration Glynns Creek room.

Friday	10am to 8pm
Saturday	10am to 6pm
Sunday	10am to 1pm

There will be two lines for registration: pre-registered, and at-the-door registration. Pre-registered attendees, who have already paid for their badge online or by mail, simply need to provide their name and identification to pick up their badge.

Attendees who are registering at the door may pay with cash or a check written out to "Anime-zing!" At the door registration is \$35 for the full weekend for those 13 and older. Single day passes are available for only \$25. Children from 7 to 12 can get a weekend pass for \$25, if accompanied by a paid adult. Children under 7 can register free with a paid adult. Max two children per adult, and those under 13 should be accompanied by an adult at all times.

Ages: Badges include an age indicator. A green stripe means 21+, a yellow stripe means 18-20, and a red stripe means 17 and under. Attendees need to provide a government-issued photo ID with a birthdate to get any badge 18-20 or 21+ badge, otherwise they will be issued a 17 and under badge. A photo ID is still required for any 18+ events, and party hosts must check a photo ID in accordance with state law before providing alcohol also.

Lost Badges: If you have lost your badge, it can be replaced once by registration for a fee of \$20. Do not lose your badge, and keep it somewhere where it won't be misplaced. Abusing this privilege to share badges, or the use of someone's lost badge, can result in expulsion, dismemberment, or even death by heart attack.

Wearing Badges: Badges come with a lanyard to wear around the neck. Badges must be worn at all times during the convention, and are required for access to convention events. You may be requested by staff to present your badge at any time.

Tips For Parents

Know your children's badge names and how they are dressed. Be sure to write your contact information on the back of the child's badge. Children 13 and under must be attending the convention with a parent or guardian, and children under 7 must have a guardian with them at all times.

Hotel Information

Getting a hotel at the convention is the most surefire way to ensure you don't miss anything awesome, and stay well rested throughout the weekend. You can sleep in a little more, and go to bed a little later. At the Clarion, check-in begins at 3pm, and check-out is at noon. Congoers get a special discounted rate of just \$99 a night!

Welcome to Anime-zing!

My Dearest Ladies and Gentlemen,

On behalf of all the wonderful staff, volunteers, catgirls, robots, catboys, automatons, mech pilots, schoolgirls, trained gorillaz, and pet rocks, I have the pleasure of formally welcoming you to Anime-zing! 2012.

Over the course of this weekend, this otherwise innocuous hotel will be transformed from an insipid place of boring meetings to a wonderland of color, characters, and high-energy excitement.

Let this letter serve as your formal invitation; please bear it with you to the formal invocation of our unique society's rituals, at precisely three hours past noon this very Friday, when we cast the final spell.

Naruto plushies will be sacrificed. Death notes will be scribbled upon. And we will all sing our praise to the great Nyan-cat, whom we will never give up and never let down.

Be warned that such powerful magic can only exist when sustained with copious amounts of fun every day. Be warned that there are rules and responsibilities when altering reality.

Be warned that you are about to have an amazing weekend.

My warmest regards,

Captain Ryan L. Kopf
Chief Warlock of the Wizengamot

Attendee Tips

Plan Ahead

If you plan your schedule in advance, you are less likely to miss that super-awesome-must-see panel you came for. There are dozens and dozens of panels and events to choose from, so if you forget to read your schedule carefully, you are bound to miss something awesome!

Eat Two Meals Each Day

We have a ConSweet filled with free pop and free rice, but you can't live off this stuff, even if you're Kirby! Getting regular meals, complete with protein, vitamin-C, and real nutrients, is important to keep your body from getting worn out. Eat at least two real meals per day. Consider ordering delivery, or getting some friends together to go out somewhere.

Sleep Each Night

You need to get at least six hours of sleep each night to fully enjoy the convention. While staying up is fun and exciting, most events end by 2am, and you won't have as much fun if you stay awake all night. Get some sleep and enjoy the next day rested!

Shower Daily

Whenever you are having a ton of fun, sometimes it can be hard to remember to stop and think about others. Please, as a courtesy to other attendees who may be standing behind you in the autograph line, shower at least daily. It's not just the flowing locks and beautiful eyes that win over ladies for host club members: they also smell fantastic!

Rules and Responsibilities

Our anime convention has a number of rules, policies, and regulations that help make the convention run smoothly and be as fun as possible for everyone. We encourage you to read our rules to understand what is expected to help make the best, most successful, and most fun weekend possible. In addition to these general conduct policies, we also have rules and guidelines for cosplay, press, exhibitors, and others. Violations of these rules and responsibilities can result in loss of privileges, up to and including ejection without refund, legal action, or involvement of the authorities.

Rule Number One

Do not do anything that could make the convention less fun for other attendees, the hotel, the staff, or for yourself. If it's dangerous, obnoxious, uncomfortable, or otherwise, do not do it. It is all of our responsibility to let everyone have a safe, respectful, and fun weekend.

If it is illegal outside of the convention, it is illegal here. Excessive or underage alcohol use, drug use, harassment, carrying firearms, and many other things are illegal, and will result in your loss of the privilege to attend our convention. If you have a safety or security concern, bring it to the convention's operations center immediately. In emergencies, dial 911.

If you are hosting a party where alcohol is being served, it is your responsibility as host to ensure that the age of anyone drinking alcohol is checked. You should also designate someone not to drink, so that there is a fully competent person present to deal with any emergencies that might arise.

All attendees must wear their badge at all times throughout the convention, and it must be presented to convention staff on request at any time. Selling anything of any kind at the convention is prohibited unless you are a registered exhibitor with the convention. Pets and animals are not allowed in the convention space or hotel, unless they are working animals (such as seeing eye dogs). Smoking is not allowed in our hotel. Photography and video recording of any kind are strictly prohibited during any AMV contest or anime screening. These rules apply to all types of attendees, including exhibitors, press, and other congoers. We may also establish additional policies covering press, exhibitors, and others.

By attending the convention you understand that convention staff may take video footage and photographs throughout the convention which may be used in highlights, marketing endeavors, or other media. You consent to be filmed or photographed by staff, approved industry, or media during the entire convention without compensation to you. Your attendance constitutes a grant of rights to the convention to reproduce, display, distribute, perform, creative derivative works of, or otherwise use any video or pictures that it obtains and in any manner throughout the world in perpetuity, including online, for broadcast, or other transmissions.

The convention's code of conduct and other rules are subject to change at any time, and without notice, at the discretion of the convention. Violation of the rules is grounds for immediate loss of your convention badge and suspension from the convention.

Weapons and Large Props

All weapons and large props must be inspected and approved by our operations or security staff at the convention. We will then "peace mark" them, by affixing a ribbon or mark that indicates we have checked them, and, if necessary "peace bond" them by using ribbon or ties to keep your weapon from being drawn or used (for example, by someone who doesn't know the rules and sneaks up behind you and grabs it). Attendees must realize that it is a privilege to bring large props and weapons to the convention, and everyone must take great care to be careful not to damage things, whack people, or otherwise do anything that seems dangerous. We allow certain specific prop weapons and large prop items, but anything not listed below is not allowed. Please understand that due to crowding, space, or safety issues, we may have to change the rules mid-convention at any time.

* **Guns:** Realistic looking guns are only allowed if they have a very bright, obvious orange tip that shows they are non-working. Guns that actually work, or have the potential to work, or might be mistaken by the public as real, are not allowed. Toy or fantasy guns that are "obviously fake" are allowed.

* **Swords:** Swords are allowed if they can be tied shut in their sheath, or if they are made of wood or plastic. Swords must never be waved around or wielded, but they can be used for still posing for photographs.

* **Bows:** Toy, or otherwise wooden or plastic bows can sometimes be okay, but professional or compound bows are not. Equipping an arrow to a bow is absolutely never acceptable, even for photos.

* **Large Props:** Large props are generally okay, if you are extremely mindful of them. However if we find that we have large crowds, or if they become a problem, we may ask you to return them to your hotel room or car at any time. We will not store them for you.

* **Pretend Weapons:** Anything that is entirely obviously a play/pretend weapon that can not be mistaken for something that is actually a real weapon.

Any weapons may be disallowed at any time at the discretion of con staff.

Operations Information

Our operations office, known as "Con Ops," is the convention base of operations, handling safety, events, scheduling, and anything else you needed. Should you need help, Con Ops can often help you. You may visit us in Con Ops with your questions or emergency situations. Sometimes Con Ops will be closed during emergencies, and you will have to wait - but if you also have an emergency, please find a staff member immediately and ask them to let Con Ops know of your emergency. Con Ops can help panelists find their panels, parents find lost children, and anything else you need.

Con Ops Palmer Hills room.

Friday	8am to 2am
Saturday	8am to 2am
Sunday	8am to 5pm

Emergency Procedures

Our operations center in the Palmer Hills room should be your first stop if you need immediate and urgent assistance. In especially dangerous or life-threatening emergency situations, you should call 911 immediately. If you are unable to safely and quickly make it to Con Ops, please inform the nearest available staff member immediately. If you witness an emergency or need help, please go to Con Ops and ensure the situation is resolved.

Special Needs

Individuals with special needs who need accommodations are encouraged to attend our programs. If you are an individual with special needs in need of an accommodation, please see us in Con Ops. For hotel related special accommodations, please see the hotel front desk staff.

Feedback & Suggestions

Your feedback is extremely important and valuable to us, and we encourage you to share both your negative and positive experiences with us, so that we can use your feedback to make a better convention every year. Starting on Sunday we will be distributing feedback forms that we encourage you to fill out. This information is extremely helpful and important in determining how to make our convention even better. After closing ceremonies, we may hold a feedback panel (unless everyone has gone home already) where you can give your feedback from this year, and let us know where we can improve in the future.

Room Parties

Anime-zing! does not run any room parties at the convention. That being said, we do not prohibit convention attendees from hosting their own private parties in their own hotel rooms. Parties must remember to take care not to disturb other guests. The convention and the hotel both reserve the right to shut down any parties that are being disruptive or violating the law. Remember to check a government issued ID (not just their convention badge) if you are serving alcohol or showing age-restricted material. Violating the law or causing a disturbance at a room party can result in removal from the convention, revocation of your convention badge, and possibly involvement of the proper authorities.

Join Staff

Our convention is run thanks to the hard work and dedication of numerous volunteer staff members. Anyone is welcome to become a part of the dedicated crew that puts together our convention. While staff are not paid, it is a great opportunity to give back to the convention and ensure it gets better and better each year. If you're interested, look for the application on our website. Anyone is welcome to attend our staff meetings and become part of our community.

If you are only able to help at the convention, we encourage you to stop by our Operations department and inquire. We are always looking for people who want to help check badges (badger), go for things (gopher), and help clean rooms (mushroom).

Anime Theater

Our anime theater is dedicated to video screenings of anime shows including both new hits and old favorites. We are attempting to start videos at a reasonably predictable time, but shows have odd episode lengths. At the top of the hour, if the current episode has less than 10 minutes remaining, we will let it continue to play. Additionally, if an episode ends 50 minutes after the hour, the next episode will not be played; we will start the next scheduled show at the top of the hour. Below are descriptions of some, though not all, of the featured shows that we have the pleasure of screening. Special thanks to our sponsors for permission to show these shows.

Cowboy Bebop (Bandai)

It is year 2071, and the entire solar system is now accessible through hyperspace travel. After an accident with one of these gateways destroyed the moon and killed many people on Earth, Mars has become the new central hub of human civilization - complete with interplanetary crime. Cowboy Bebop follows the story of a crew of bounty hunters (aboard the spaceship "Bebop") apprehending fugitives for bounties.

Gravitation (RightStuf)

Gravitation is a Yaoi story surrounding an aspiring singer, Shuichi Shindou, and his band, Bad Luck. One fateful evening he meets the tall, blond haired stranger, Eiri Yuki. Eiri dismisses Shuichi's work, hurting Shuichi's feelings deeply. Despite his anger, Shuichi is intrigued... and fascinated by this new stranger.

Persona: Trinity Soul (NIS)

Taking place ten years after the end of Persona 3, Persona: Trinity Soul is set in Ayanagi City where the police are investigating several cases of "Apathy Syndrome."

Rental Magica (RightStuf)

Itsuki Iba is the second president of magician-dispatch service and Mage society, Astral. Ironically not even a mage, Itsuki Iba and the Astral society complete jobs to try to pay the bills... and evade abolition.

The full anime theater schedule can be found on pages 12-13.

Gaming

Our video gaming and card room is the place to play some awesome games, participate in tournaments, and maybe even make new friends. Please take care to protect the video games, controllers, and consoles that we provide.

Game Room Rules

- 1) Some games will be available for temporary checkout in the game room. Once you see a game you would enjoy playing, let us know, hand us your badge, and it will be returned back to you once you have returned the game disk.
- 2) If a game is defective or if anything is malfunctioning, please let us know immediately.
- 3) Please share game systems. If there are people waiting, those who have been playing for longer than two hours (or shorter if there are many people waiting) may be asked to allow another person to play. Tournament play, however, is exempt from that rule. If you're in a tournament, you're totally allowed to play as long as necessary during the tournament. (Rules still apply prior to tournament start, so no five-hour pre-gaming marathons).
- 4) No arguing! Any fighting will result in being removed from the game room.
- 5) Theft or intentional damage to games and systems can not be tolerated. You will be turned over to the police, and any privileges to the Con will be revoked.
- 6) If you would like to have a tournament not currently scheduled, that's great! Let us know what Video game/TCG tournament you'd like to play in and we will see about making it happen!
- 7) A list of possible tournaments will be posted by the door, if you'd like to see another game on the list, just list the title of the game down under the Suggestions section.
- 8) Be respectful! Handle the games/consoles/controllers/cards/etc with care, or you may be cutting your stay in the game room short.

Thanks to the help of Ben Jeffery and the Quad Cities gaming club.

Autograph Reminders

* The number (or in some cases size) of items may be limited due to time constraints, and this limit may not be announced until the autograph session. Please limit yourself to a reasonable number of items to be signed.

* Guests will only be able to sign official, licensed merchandise - not bootlegs. We hold dealers in our dealers room to the highest standards, and you won't have a problem with anything you buy in our vendors room, as you will not find bootleg merchandise in our dealers room.

* The time to line up may be limited to the first minutes of the autograph session, and we may not allow additional people to wait in line after that time (or after a certain maximum number of people in line). We do our utmost to try to ensure everyone has the chance to get their autograph, but plan to come as early as possible to the autograph session, or prepare to possibly show up for multiple sessions if there are multiple scheduled. If we run out of time and have a significant number of people waiting and there's only one session scheduled, we will do our utmost to schedule another autograph time later on if at all possible.

* Photographs and recordings with the guests are available only with the guest's permission. Please be kind to respect the awesome guests we have, and ask nicely. In extremely busy circumstances, photographs may not be allowed if there is not enough time, or we may ask that you wait until everyone else is finished.

* While we try to have enough sharpies, sometimes we run out or they go missing. If you have something that needs to be autographed in a specific color, we recommend bringing it.

All autographs Friday & Saturday will be in Panel Room 3. On Sunday they will be in Main Events.

Friday's Date Auction

The date auction is a chance to use real money to try to win yourself a date to the dance! Or just to have fun! Remember to go to the ATM and get a little money in advance - even just \$5 to \$10 could win your favorite cosplayer. **You can also sign up in advance to be sold, in Con Ops.** We ask that dates sold dance with the person who bought them for at least 2 dances at the Formal Ball - but remember, sometimes things happen, and your date can't make the dance with you. There's no refunds, because it's all for fun and the money goes towards making the convention even better.

Friday's Formal Dance & Lessons

Our fantasy ball is a wonderful, elegant event that we encourage you to attend in your best of outfits. As an excellent opportunity to prepare for the formal ball, we also have formal dance lessons taught by a professional dance instructor. Join us Friday evening from 7:45 to 9pm for lessons covering everything from simple, basic waltz box steps, to a few more complicated moves as well.

Saturday's Masquerade

As an important part of any convention, the masquerade is a chance to show off your excellent cosplay craftsmanship or performing skills - or a wonderful chance to see great costumes and funny skits. Sign up in advance is encouraged for anyone who wants to show off their costume. **Sign up in the cosplay office to be on stage.**

Saturday's Concert

Our concert features performances by V is for Villains and Eyeshine! V is for Villains has a very "hard rock" feel, and they'll be performing for the first half hour or so, followed by Eyeshine's smooth "edge rock" sound - lead by the vocals of voice-actor Johnny Yong Bosch.

Sunday's All Guest Panel

Sunday afternoon at 1pm features a panel including all the convention guests at once, so it's your chance to see them all in one place, with autographs right afterwards. Ask questions and hear funny stories from great voice actors!

Presidential Anime Election

Join a side in the great election - Seto Kaiba or Ciel Phantomhive! Who is more qualified to be the president of all Otakudom? You get to vote all weekend at the registration desk or in Con Ops.

Opening & Closing Ceremonies

You don't want to miss opening & closing ceremonies, where we discuss convention rules, introduce you to convention events, give you advice for the weekend, and start making new friends.
